

Society for Pain Practice Management Presents

24th Annual SPPM Billing & Coding for Pain Management

March 1-3, 2011

& Interventional Pain Management Hands-On Cadaver Certificate Course

March 3-6, 2011

Listen to our experts:

Are you are billing correctly from start to finish? Have fewer audits, decrease denied claims, and increase the number of paid claims.

We explain:

- The new/updated codes for pain management
- Coding & Billing For Advanced Pain Management Procedures
- Electronic Health Record--Use it for Billing & Coding
- Coping with a Medicare and 3rd Party Payor Audit
- Urine Drug Testing; Opioid Prescribing; CLIA
- Bring Your Billing & Coding Questions

-3 Day Hands-On Interventional Pain Management Cadaver Workshop

New* Learn how to use Ultrasound

- Spinal Cord Stimulation
- Percutaneous Discectomy
- Vertebroplasty

COURSE OBJECTIVES

The 24th Pain Management Billing & Coding Course will provide the Pain Specialist and Administrator with billing, coding, financial, and practice management updates for 2011.

The SPPM Cadaver Course will provide the Pain Physician with the latest information on interventional pain management techniques via lectures, hands-on instruction with cadaver stations, Q & A, and networking.

FACULTY DISCLOSURE

Full financial disclosure of all faculty will be printed in the course syllabus.

NEEDS ASSESSMENT

Given the rapidly changing health care environment, the Pain Specialist and staff are in need of information on how to best practice under these changes.

WHO SHOULD ATTEND

The 24th Annual SPPM Pain Management Billing & Coding Seminar March 1- 3, 2011 is designed for physicians, Administrators, nurses, physicians' assistants, CRNAs, nurse Practitioners, group managers, billing and coding professionals, and billing staff in the pain management field.

EDUCATIONAL METHODS

This seminar will consist of AV enhanced lectures and interactive Question and Answer sessions. CME credits will be mailed at the conclusion of the seminar upon completion of *The Attendance Verification Form*.

CANCELLATIONS

Cancellations for The 24th Annual Pain Management Billing & Coding Seminar must be requested in writing. Cancellations received on or before ten full days prior to the seminar will receive a 100% refund minus a \$75.00 administrative fee. Cancellations thereafter up to the day of the seminar are refunded minus a \$100.00 administrative fee and food costs. No refunds made without prior written notice.

Cancellations for the Hands-On-Cadaver Interventional Pain Management Certificate Course must be requested in writing. Due to the nature of this course, a \$500.00 Cancellation Fee will be assessed. **No-refunds given on Cadaver Course cancellations after February 1, 2011.**

DESIGNATION OF CREDIT

The Society for Pain Practice Management accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Society for Pain Practice Management designates this educational activity for a maximum of 24.5 AMA PRA Category 1 Credit(s)TM.

Physicians should only claim credit commensurate with the extent of their participation in the activity.

General Sessions Only	16.50 Hours
Interventional Pain Management	
Cadaver Course	24.50 Hours
American Academy of Professional Coders	16.00 Hours

ACCREDITATION

This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council For Continuing Medical Education (ACCME) through sponsorship of The Society For Pain Practice Management. SPPM is accredited by the ACCME to provide continuing medical education for physicians. SPPM reserves the right to substitute speakers or alter the program without further notice.

This program has prior approval of the American Academy of Professional Coders or 16.5 Continuing Education Units. Granting of this approval in no way constitutes endorsement by the Academy of the program, content or the program sponsor.

HOTEL AND SEMINAR LOCATION

SPPM has arranged for deluxe accommodations at the RIO All Suites Casino Resort in Las Vegas NV To obtain the special meeting rate of \$55.00 Monday-Thursday and \$129.00 Friday - Saturday, call the hotel reservation line at: 888-746-6955. Request the group rate for SPPM. The cutoff date for this special rate is February 7, 2011

GROUP PLACEMENT INTERVENTIONAL CADAVER COURSE ATTENDEES ONLY

IT IS MANDATORY THAT THIS FORM BE FILLED OUT

First Name _____

Last _____ Degree _____

City _____ State _____

Specialty _____

E-mail _____

for SPPM use only

Fellowship Trained/Pain Management ___ yes ___ no

Please indicate the frequency that you perform the procedures listed below.

Scale of 0-5 0 none 5 many

A. ___ Cervical Injection Techniques

B. ___ Lumbar Injection Techniques

C. ___ Radiofrequency Techniques- Lumbar

D. ___ Spinal Cord Stimulation

E. ___ Atlanto Axial

F. ___ Third Occipital Nerve Block

G. ___ Lysis of Adhesions

H. ___ Vertebroplasty

Thank you for your time and attention to this questionnaire. In order to provide you with the best educational experience, attendees will be assigned to groups based on experience level.

You will be required to stay with your group as you rotate through all of the procedures. If you leave your assigned group, you will be asked to leave the classroom and will not receive a course certificate. This policy will be rigidly enforced to enhance everyone's educational experience.

**PLEASE RETURN YOUR PLACEMENT SURVEY

COURSE OBJECTIVES

SPPM Cadaver Course will provide the pain management physician with the latest information on interventional pain management techniques via lectures, hands-on instruction with cadaver stations, Q & A and networking.

FACULTY DISCLOSURE

Full financial disclosure of all faculty will be printed in the meeting syllabus.

NEEDS ASSESSMENT

Pain Management techniques are frequently changing. The pain specialist is in need of information and hands-on experience to learn interventional pain management techniques.

WHO SHOULD ATTEND

The SPPM Interventional Pain Management Cadaver Course is designed for physicians who are skilled at performing basic injection techniques.

EDUCATIONAL METHODS

This seminar will consist of AV enhanced lecture, hands-on practice with cadaver, and interactive Question & Answer sessions. CME credits will be mailed at the conclusion of the seminar upon completion of the *Verification Of Attendance Form*.

DESIGNATION OF CREDIT

The Society for Pain Practice Management IS accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Society for Pain Practice Management designates this educational activity for a maximum of 24.5 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ACCREDITATION

This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council For Continuing Medical Education (ACCME) through sponsorship of The Society For Pain Practice Management. SPPM is Accredited by the ACCME to provide continuing medical education for physicians. SPPM reserves the right to substitute speakers or alter the program without further notice.

CANCELLATIONS

Cancellations for the Hands-On-Cadaver Interventional Pain Management Certificate Course must be requested in writing. Due to the nature of this course, a \$500.00 Cancellation Fee will be assessed. No refunds are given for cancellations of the Hands-On Cadaver Interventional Pain Management Certificate Course after February 1, 2011.

HOTEL & SEMINAR LOCATION

SPPM has arranged for deluxe accommodations at the RIO All Suites Casino Resort in Las Vegas NV To obtain the special meeting rate of \$55.00 Monday-Thursday and \$129.00 Friday - Saturday, call the hotel reservation line at: 888-746-6955. Request the group rate for SPPM. The cutoff date for this special rate is February 7, 2011

You don't want to miss this course!!

2011 Is Bringing Changes To Health Care
Prepare your practice to face the challenges
that lie ahead in pain management.
Bill correctly & get paid for the work you do.
Improve your clinical skills, and add new
procedures to your practice.

Pain Management Symposium

Listen to our experts:

Make sure that you are coding correctly. We have the information to keep on top of ever changing codes
Have fewer audits, decrease denied claims, and increase the number of paid claims.

Since they don't teach billing & coding in Medical School:

We explain:

- Correct Coding: Advanced Procedures, Facet Joint Procedures; Urine Drug Testing
 - E&M Coding for Pain Management
 - What Is Ahead For the Electronic Health Record and how to use it to bill & code correctly
- Ask the experts: Bring Your Coding And Billing Questions
Urine Drug Screening & The CLIA Waiver

Interventional Pain Management Cadaver Course

HIGHLY QUALIFIED INSTRUCTORS USE CADAVERS TO TRAIN, UPDATE, AND TEACH INTERVENTIONAL PAIN MANAGEMENT PROCEDURES

Using UltraSound Guidance to Perform
Procedures
Cervical Injections
Lysis of Adhesions
Atlanto Axial & Third Occipital Nerve Block
Percutaneous Facet Fusion
Spinal Cord Stimulation
Vertebroplasty
Lumbar Radiofrequency
Understanding Fluoroscopy
